### Why do Catholics believe the Eucharis is more than a symbol? – Growing in Faith™

Catholics have it on divine authority that Jesus is really, truly, and substantially present in the Eucharis, “Whoever eats my flesh and drinks my blood had eternal life” (John 6:54). When the priest, acting in the person of Christ, consecrated the bread and wine, we believe that Jesus becomes truly present.

Scientific investigations of the hundreds of Eucharistic miracles support this amazing mystery. In the Eucharist, Christ fulfills His promise to remain with us “to the end of time” (Matthew 28:20).
