**Catholic Education Enhances Faith Through Learning**

From January 25-31 of this week, we will be celebrating Catholic School Week—a time to come together as a community and embrace the unique blessings of Catholic education. We are grateful for the privilege of nurturing our children, not only in academic excellence but also in faith and compassion. Through Catholic education, our children discover the profound values of the Catholic faith, experiencing love, hope, and joy in every lesson and interaction. They are encouraged to see the world through the eyes of Christ while learning to participate in the heart of our faith: the joy of prayer, the boundless grace of God found in learning and fellowship, and the sacred encounter with God in the celebration of the Holy Mass.

As a parish, providing Catholic education for our children is a heartfelt mission—one rooted in compassion and care. Whether through Sunday faith formations, daycare programs, or elementary schools, we are united in our commitment to nurture each child in an environment of kindness, support, and love for God. Bishop David Walkowiak noted that “Catholic schools are the single most effective means the Church has created for evangelization." Our role as a parish community then is to ensure every child feels cherished and supported on their journey of growth—mind, heart, and spirit.

I invite you to consider Catholic Education for your children. Please contact our school for more information.

**La educación católica fortalece la fe a través del aprendizaje**

Del 25 al 31 de enero de esta semana, celebraremos la Semana de las Escuelas Católicas, un momento para reunirnos como comunidad y apreciar las bendiciones únicas de la educación católica. Estamos agradecidos por el privilegio de educar a nuestros hijos, no solo en la excelencia académica, sino también en la fe y la compasión. A través de la educación católica, nuestros hijos descubren los profundos valores de la fe católica, experimentando el amor, la esperanza y la alegría en cada lección e interacción. Se les anima a ver el mundo a través de los ojos de Cristo mientras aprenden a participar en el corazón de nuestra fe: la alegría de la oración, la gracia ilimitada de Dios que se encuentra en el aprendizaje y la comunión, y el encuentro sagrado con Dios en la celebración de la Santa Misa.

Como parroquia, proporcionar educación católica a nuestros hijos es una misión sincera, arraigada en la compasión y el cuidado. Ya sea a través de la formación dominical en la fe, los programas de guardería o las escuelas primarias, estamos unidos en nuestro compromiso de educar a cada niño en un entorno de amabilidad, apoyo y amor a Dios. El obispo David Walkowiak señaló que «las escuelas católicas son el medio más eficaz que la Iglesia ha creado para la evangelización». Nuestro papel como comunidad parroquial es, por tanto, garantizar que cada niño se sienta querido y apoyado en su camino de crecimiento: mente, corazón y espíritu. Les invito a considerar la educación católica para sus hijos. Pónganse en contacto con nuestra escuela para obtener más información.
